## School Circular (2025/26)

### 1. Who We Are

Little Haven Pre-school is a Christian, family centered kindergarten dedicated to growing the whole childmind, body and spirit. We follow Uganda’s National Early Childhood Curriculum and enrich it with 21<sup>st</sup> century skills, creative arts and strong moral values.

### 2. Our Programs

Program	Schedule	Key Features
<b>Half Day</b>	7: 30 am – 1: 00 pm	Core learning blocks, Bible story time, snack & hot lunch
<b>Full Day</b>	7: 30 am – 4: 00 pm	Half Day package <b>plus</b> afternoon skills labs, quiet time reading & supervised play
<b>Weekend Activity Club</b> (optional)	Saturdays 8: 30 am – 12: 30 pm	Music, dance, chess, coding games & crafts
<b>Transport Service</b> (optional)	Home ↔ School	Modern, seat belted van & vetted driver
<b>After Hours Care</b>	4: 00 pm – 5: 30 pm	Available @ 10 k UGX / hour for occasional late pick ups

### 3. What Makes Us Different

- **Faith Foundations** – Daily devotions, scripture memory & character building.
- **Skills First Learning** – STEAM centers, digital literacy corner, problem solving games.
- **Small Classes** – Max 15 learners per teacher for personalized attention.
- **Healthy Living** – Balanced menu, on site nurse, termly health screen checks.

- **Safe Environment** – 24 hour – monitored school campus and secure drop off zone.
- **Parent Partnership** – Weekly progress snapshots and open “Family Fridays”.

#### 4. Facilities

- ✓ Bright classrooms
- ✓ Mini library & reading nook
- ✓ Quiet prayer garden
- ✓ Outdoor adventure playground
- ✓ Multi purpose sports court
- ✓ Child friendly washrooms

#### 4. School Programs & clubs

SN	Club	Focus	Why it matters
1	AI & Robotics	Block coding, simple sensors and bots	Builds logic and future tech fluency
2	Coding Lab	Scratch Jr, child friendly app design	Sparks computational thinking early
3	Digital Media & Film	Storyboarding, green screen shoots	Blends creativity with digital literacy
4	Lego Engineering	Hands on STEM challenges	Reinforces problem solving & teamwork
5	Eco & Garden Club	School garden, recycling projects	Instils sustainability habits
6	Entrepreneurship	Mini markets, money math games	Introduces financial literacy & initiative
7	Reading Circle	Guided reading, book badge program	Expands vocabulary and love of books
8	Music & Movement	Choir, percussion, expressive dance	Develops rhythm, confidence & motor skills
9	Art & Design Studio	Painting, clay, digital art tablets	Fosters self expression and fine motor control
10	Devotion & Prayer	Daily scripture, gratitude journaling	Grounds pupils in faith and reflection

#### Blended Curriculum

We weave Uganda’s National Early Childhood Curriculum with select best practices from leading international frameworks (EYFS & early years IB). This gives every pupil solid local foundation plus exposure to global literacy, numeracy, STEM and social emotional skills.
